

CIRCUMLOQUI

De PEUS DE PORC
Outdoor Puppet Show for All Audiences

SYNOPSIS

A puppet show which mixes
humour, home engineering,
and live music

A puppet show that creatively blends humor, clever handmade mechanisms, and the vibrant energy of live music, offering a unique and captivating experience for audiences of all ages. Circumloqui has set up its stage at the top of a motorized tricycle and prepares to perform throughout the entire town.

A musician and a clown will be in charge of showing different numbers; magic, the tightrope walker, the strong man, the animal tamer and, of course, the incredible Bullet Baby, the only one able to flying more than 50 meters

PEUS DE PORC

THE COMPANY

With a long career with the companies Ne Me Títère Pas, Antigua y Barbuda and various television productions, Xesco Quadras combines his knowledge of engineering with the passionate world of puppets in this solo project.

With Ne Me Títère pas creates "The farce of Mr. Governing" (2006), a show that had been recognized for the uniqueness and innovation of the proposal through awards of different Spanish street festivals.

In 2013 founds the company Peus de porc and present the following shows:

- "Circumloqui" was launched in 2010, and has been featured in major trade fairs in Spain; Namur en Mai, Belgium; La Strada of Bremen, Stamp of Hamburg and Performance Paderborn in Germany; and Festival Mondial de Marionnettes de Charleville, France
- "¡A comer!", Winner of the 2015 FETEN Award for the Best Puppet Show and the Friends of Titeremurcia Award 2015.
- "I-MAG 341, a rocket to fire your imagination" wins the DRAC D'OR Prize for the BEST SCENERY Fira de Titelles de Lleida 2017, "For a meticulous and impeccable work when preparing a risk proposal. "

EN 2010, IL CRÉE LA COMPAGNIE PEUS DE PORC, AVEC LAQUELLE IL A JOUÉ LES SPECTACLES SUIVANTS :

« A Taula! » (2013), The Ogre is about to eat a soup of vegetables when, at the door, a child appears in search of shelter ... The joy of the Ogre is infinite!
But the child is cold, hungry, thirsty ... and the Ogre can not eat a cold and hungry child.

« TMEchanical puppet theatre » The bar machines have come out on the street and have met the puppets!
Mechanical puppet theater offers you the opportunity to manipulate puppets while trying to win the game to your opponent.
Different routines will test your skills.

« I-MAG 341» The team of the I-MAG 341 rocket is ready to raise passengers over 80,000 kilometres height to be able to see the earth from a distance.
Do you want to be an astronaut? Make your dream come true!
The Special Rocket, a rocket to fire your imagination.
